The Splendor of the Outdoors Captured in 14k Gold

Remember that big buck... the cry of the eagle... that feisty fish thrashing on your line. All the grandeur, all the action, all the excitement of the great outdoors is intricately carved in warm, natural gold. Striking. Rich. Handsome.

A ring from our **Wildlife Collection** is the ultimate for the ultimate outdoorsman. This is just the gift for that special occasion... or maybe you want to bag one for yourself. Stop by and take a look....
